

Holiday Apartment **FIT** Ferienwohnung in Dresden

Home

Welcome to our FIT Ferienwohnung holiday apartment in Dresden-Laubegast. We can offer a charming place to stay for two to five people. The flat consists of a dining room (with dining table, sofa and cable TV), a well-equipped kitchen (with dishwasher) and a bathroom (with shower, WC, and washing machine). You can use one or both bedrooms (equipped with 1,80m / 1,40m double beds). An additional guestbed is available on request.

The apartment is located in the Villacher Siedlung, a housing development built in the 1920s. The houses form a quadrangle, incorporating gardens and a play ground. All windows are facing the beautiful gardens. Residents enjoy the benefits of living in town with the peace and greenery of the country.

City

You can reach the city centre in 30 minutes by tram. The stop is just a stone throw away. You can discover the wealth of historical sights Dresden has to offer. Besides Frauenkirche, Zwinger, the Semper Opera House and the Dresden Castle, to name just a few highlights, the world famous picture gallery Gemäldegalerie Alte Meister is not to be missed. Tram no. 6 takes you directly to the Dresdner Neustadt, a lively neighbourhood renowned for its pubs and nightlife.

Laubegast has also much to offer: lovely old fisher houses along the Elbe river, little shops, supermarkets and many green open spaces.

Nature

Laubegast is in the east of Dresden, so the splendid Pillnitz Castle is within strolling distance along the Elbe. On the north bank of the river the path leads up the hill into inviting woodlands and along romantic streams, such as the Keppgrund or Friedrichsgrund.

By train from the nearby Dresden-Niedersedlitz station you can reach the peaks and glorious views of Saxon Switzerland, the Oberlausitz or the Erzgebirge Mountains. You might prefer to cycle along the Elbe bicycle track to Bad Schandau or Meißen, taking a rest on the vast green Elbe meadows, to watch the passing boats, ducks and riders, to have a picnic or stop at one of the numerous inns.

At the end of the day, you can hop into the Leubener Kiesgruben or just take a chair and relax in the garden.
